

# LA BUONA CUCINA

A still life photograph of various Italian food items. In the foreground, there are two plates of sliced citrus fruit, likely grapefruit or orange, garnished with green herbs. Behind them, a large loaf of bread sits on a woven basket, and a smaller loaf is on a white plate. To the right, a salami is wrapped in a white cloth. In the background, a glass of red wine is visible. The overall scene is warm and inviting, with soft lighting.
